Dear Mr.Campion,

I was surfing the internet looking for a job, and then I stumbled upon your ad! My main goal for a first job is something that will challenge me, and something that will have me look forward to work everyday! I've always love passing by Zumiez and seeing the happy workers and work environment day after day. It would be a privilege to be part of the Zumiez Crew!

Ever since I was a kid, I saw my older brother come home with bags and bags of Zumiez merchandise, and always say how much he loved working there. Yes, I have never had a job before, but to start off my job career, I would love to be an amazing employee at this amazing skater store! At school, I always have my homework in on time and almost never miss any days of school. I believe that I would be an amazing addition to this organization. Plus, who could resist the chance to work at Zumiez?

I would love to meet with you in person and show you my worth to be an employee and Zumiez. I have always admired the store, and I would love people to think the same thing when they pass by and see me working. You can always reach me at 903-806-8371 anytime after 3:30 pm, or you can tell me when to contact you. Just let me know of a convenient time.

Thanks, in advance, for your consideration, Mr.Campion.

Sincerely,

Emma Rolland
